

February 2018 Vacation Program

The vacation riding program at Windkist is designed for children of all levels of riding ability and offers the finest in equestrian programs and training in a safe and relaxed environment.

Hunt seat, balanced seat, dressage and western lessons are taught by licensed instructors who will be available every day for all riding levels. Classes are limited in number of students to ensure that each rider receives individual attention. All children are encouraged to progress at their own rate. Windkist lesson horses are well schooled and accustomed to being handled by children.

Horseback riding is rewarding and memorable for children. It develops strength, balance and a sense of pride. Children aged six and up, beginner through advanced are welcome. Join us for a week or more of friendly instruction and competition.

I recognize the inherent risks of injury involved working with horses, horseback riding and learning to ride in particular. I understand that participation in horseback riding involves the handling of large animals that can act contrary to even the best commands and instructions. I am aware that the activity entails risks or injury to myself. I understand that those risks may result in injury or death. In enrolling my child for lessons at Windkist I assume any such risk of injury, now or in the future and further, I voluntarily release Windkist, its owners,

managers, instructors, trainers, or other students or horse owners on account of any claims, now or in the future. Under Massachusetts law an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities pursuant to Chapter 128 Section 2D of the General Laws.
