

April Vacation Horsemanship Program

April 21st-25th

9am-3pm

Students will learn horsemanship skills such as grooming and tacking. Students will learn riding skills based on their experience level. Any level rider is welcome!

Students are required to have the following to ensure a safe and enjoyable riding experience:

Riding Helmet – All riders must wear a helmet. If you do not own a helmet there are some available at the barn.

Riding pants or leggings – All riders must have full length pants or leggings for riding.

Tie shoes or boots – A boot or shoe with a low heel is a must for riding.

Lunch and beverage – Be sure that your lunch is clearly marked with your name. We have a refrigerator and a drink/snack machine.

I recognize the inherent risks of injury involved working with horses, horseback riding and learning to ride in particular. I understand that participation in horseback riding involves the handling of large animals that can act contrary to even the best commands and instructions. I am aware that the activity entails risks or injury to myself. I understand that those risks may result in injury or death. In enrolling my child for lessons at Windkist I assume any such risk of injury, now or in the future and further, I voluntarily release Windkist, its owners, managers, instructors, trainers, or other students or horse owners on account of any claims, now or in the future. Under Massachusetts law an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities pursuant to Chapter 128 Section 2D of the General Laws.
